ALWAYS OPEN. ALWAYS AVAILABLE.

Custom UK Online Reference delivers reference works as individual title databases that can be combined into customized collections for cross-title searching. The result is fluid access to an unrivalled reference collection with no checkout requirements, no turn-aways and multi-volume sets always available.

SO MUCH CONTENT

Included in this special offer of **100 books** are popular titles such as:

Writers Directory

Gale Encyclopedia of Medicine

International Dictionary of Film and Filmmakers

Encyclopedia of World Biography

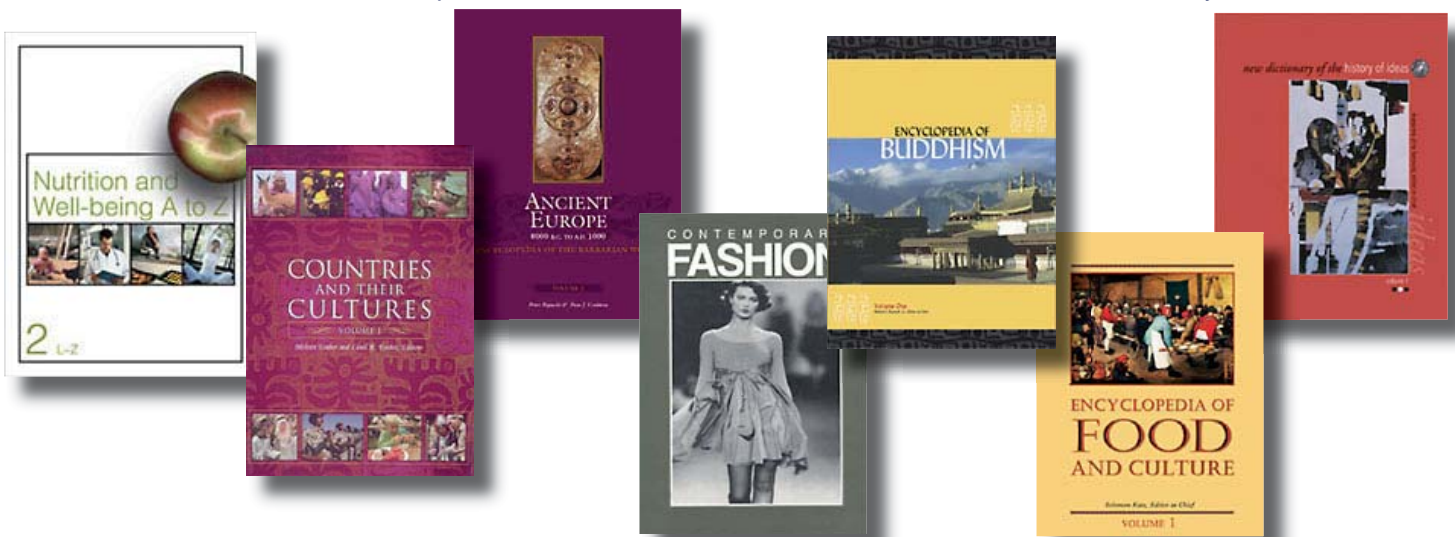

New Dictionary of the History of Ideas

Gale Encyclopedia of Science

Encyclopedia of Sociology

Contemporary Fashion

All the titles have been carefully selected to ensure the library can address all the interests of its users. The 100 titles cover a variety of subjects such as business, history, art, film, natural world, geography, biography, medicine and multicultural studies. These are up-to-date, authoritative and offer a credible online reference library.

Combined with our new technology platform, *Thomson Gale PowerSearch*, a solution is now available for cross-searching newspapers, journals and reference content in one easy process.
